On Monday, April 11 2005, at 10:30 am, Conservation Officers M.G. Villagomez, P.C. Aguon, R.M. Ragadio and I conducted a scene check along RT 3A by Ritidian Point pertaining to an arrest of two individuals arrested for illegal hunting on Friday, April 8 2005. We concentrated on the area where the two individuals were apprehended along the access road leading to Ritidian Point. A deer carcass, approximately 15-20 lbs was located along the access road by the posted sign about 500ft from the water tank. The carcass appeared to be about 4-6 days old. Photographs were taken of the carcass for our records. Also located during the scene check was a blue maglite found by the last known location where the second individual, Mr. Harold Cruz, was last seen fleeing to avoid apprehension. Photographs were also taken of the item and annotated on a custody receipt and was turned over to the property custodian for safekeeping.
